STEP 1

## Download the App and Sign Up

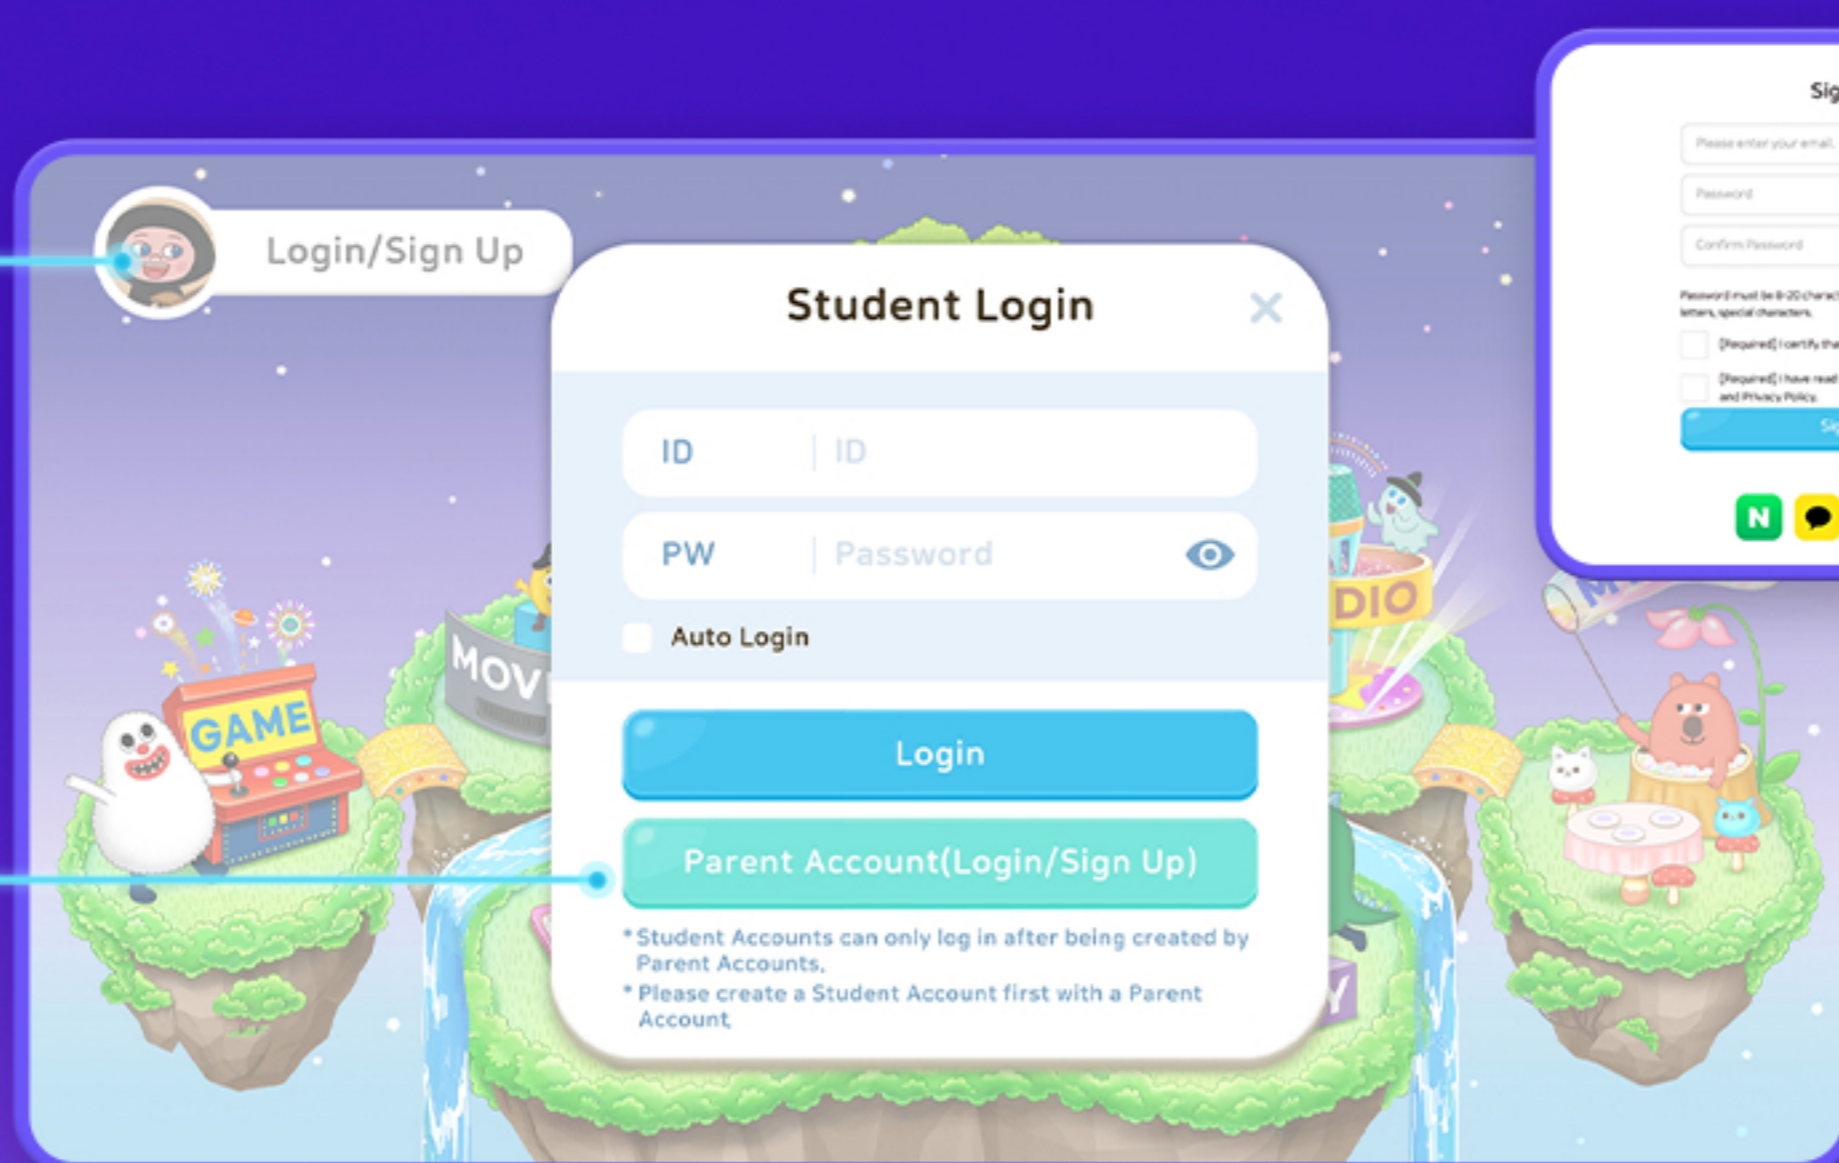

- Search 'HiDODO' and download the app on the Google Play Store or App Store.
- You can create a Student Account after signing up and logging on a Parent Account.

① Click Dodo's profile and create a Student Account.

\* You can create up to 2 student accounts.

② Sign up for a Parent Account.

③ For quick sign-up, use your SNS account.

STEP 2

## Create a Student Account and Choose a Course

- Your child must log on to a Student Account to begin the lesson.

After registering a Student Account, log in with your child's ID and PW to begin learning.

- Choose an appropriate course level for your child. There are 4 courses in total.

Each course provides Daily Lesson. (Course 1: Alphabet Master, Course 2: Phonics Master, Course 3: Sight Words Master, Course 4: Basic Reading Master)

① Click Dodo's profile and create a Student Account.

\* You can create up to 2 student accounts.

② Choose a course.

Course 1: Alphabet Master  
Course 2: Phonics Master  
Course 3: Sight Words Master  
Course 4: Basic Reading Master

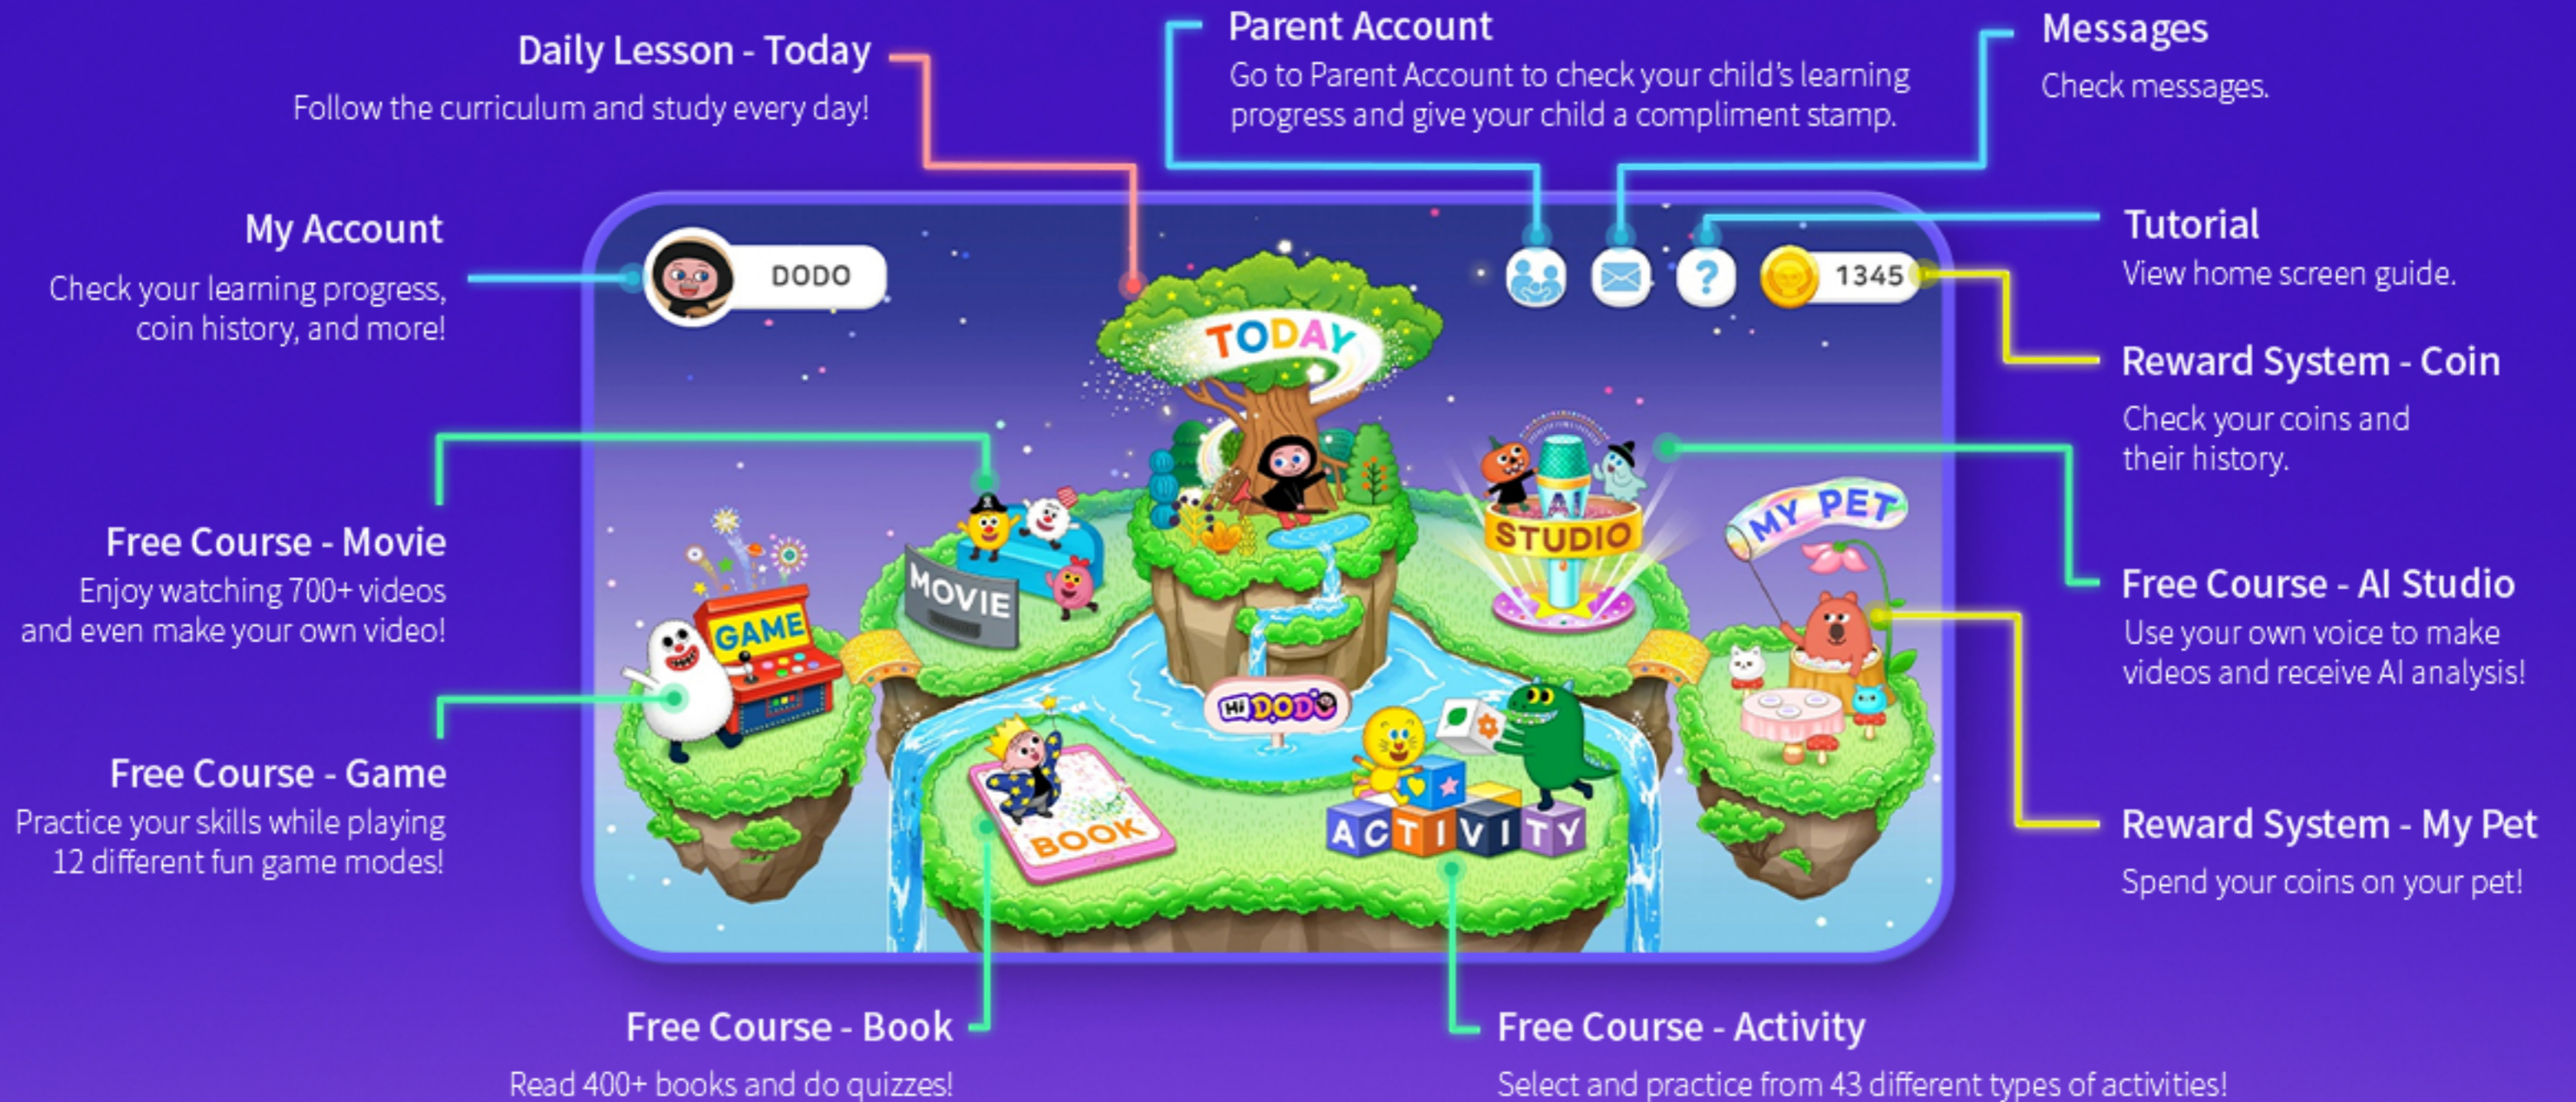

STEP 3

## Log on to a Student Account and Begin Learning

- HiDODO is composed of Daily Lesson (Today), Free Course (Movie, Game, Book, AI Studio, Activity), and a reward system (Coin, My Pet).

- Finish the Daily Lesson (Today) first and explore the Free Course.

STEP 3-1

## Daily Lesson (Today)

- Depending on the course level you choose when creating a Student Account, **Daily Lesson provides personalized content for structured learning.** The content consist of movies, activities, games, and books. (Spend 30 mins every day.)
- You can get coins for each step completed and **bonus coins for completing your Daily Lesson!**
- Become an independent reader in two years by studying 30 minutes daily from Course 1 to Course 4.

Use the arrows to review previous lessons!

Click on DAY to check the curriculum and your stage progression.
